

TradeSphere Global - Ultimate Supplier Declaration Guide

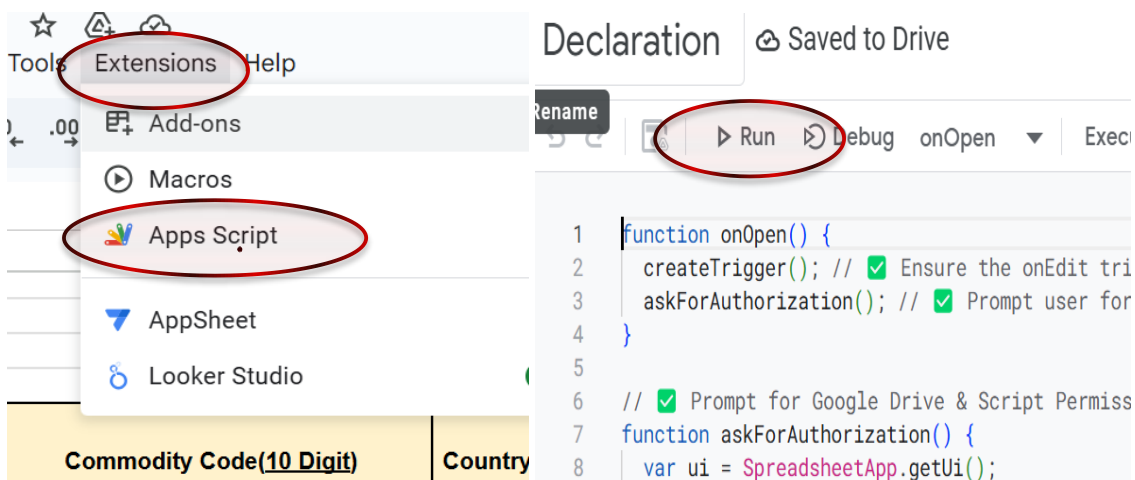

Step 1: Authenticate Google Permissions

Before using the Google Sheet, authentication is required. Follow these steps to enable file uploads and Google Drive access:

- 1 Open the Google Sheet link received in your email.
- 2 A pop-up will appear asking for Authorization Required – Click OK.

● If authentication doesn't appear automatically:

- Open the Google Sheet → Extensions → Apps Script → Manually run onOpen().

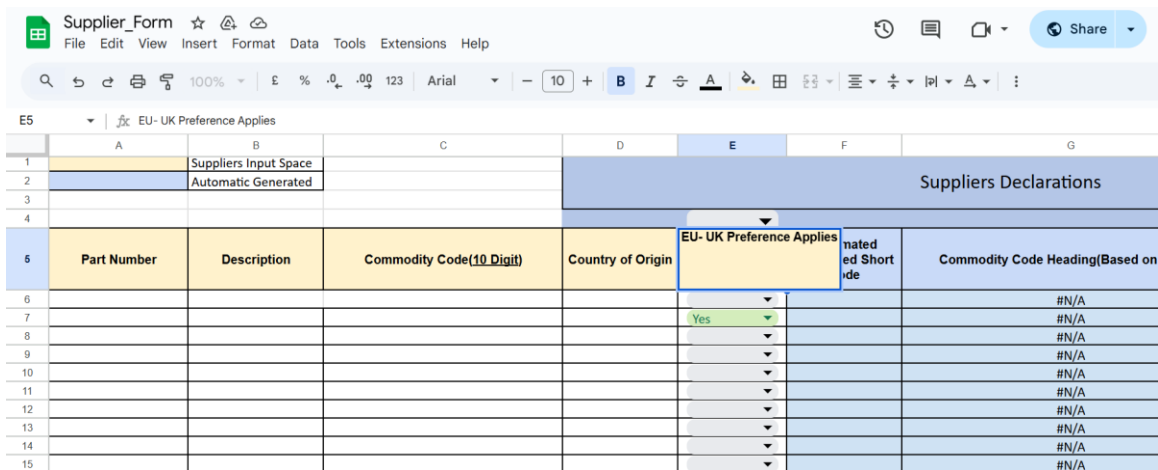

Step 2: Fill Out the EU-UK Preferential Agreement Report in Google Sheet

 This step ensures that your goods qualify under the EU-UK Trade Agreement.

 Steps to Complete the Google Sheet:

- 1** Locate the Google Sheet assigned to you.
- 2** Enter all required commodity details, including:
 - HS Code
 - Other necessary trade details.
- 3** If a column asks for 'Yes/No', select the correct option.
- 4** Cross-check the data before proceeding to file upload.

 If you do not yet have your EU-UK Preferential Agreement Report, you can obtain it seamlessly through the **TradeSphere Global Portal** by clicking [here](#). Ensure compliance and streamline your trade operations effortlessly.

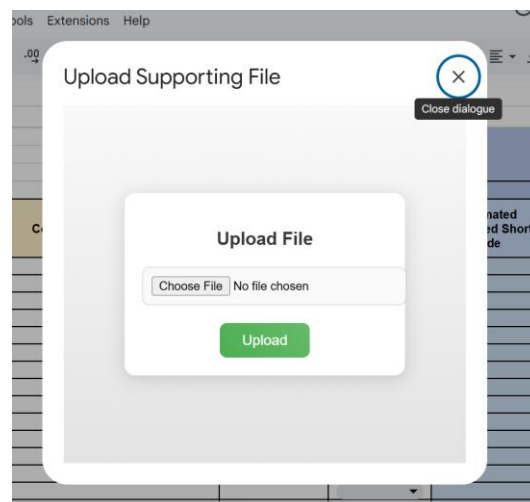

The screenshot shows a Google Sheet titled 'Supplier_Form' with a menu bar (File, Edit, View, Insert, Format, Data, Tools, Extensions, Help) and a toolbar. The active sheet is 'EU-UK Preference Applies'. The table structure is as follows:
